Dear Church Family,

We at the Covenant Life CoG Prayer Team like to keep our church members aware of the focus the Lord has us working on. Today's focus was: The last two weeks has been a combination of praise and worship, then prayer. Last week we focused on the election. We are still holding strong in the Lord for the outcome. This week, the Lord gave us directions to praise for 1 hour, then allow Him to minister to us individually. We are all in this place of weariness due to the extreme stress in to world of politics and health. We spent 1 hour in worship and praise to Him. Then He started speaking to us individually with both prophecy and words of knowledge. All was to refill us and comfort our weariness of soul. We would strongly suggest you spend time this week with some kind of worship and praise music in your life. It doesn't matter whether it is Gospel, hymns, singing praise or instrumental, just make time to refresh yourself in praise and worship. It was so beautiful to see what God did to our inner man during that time of releasing our praise and worship to Him. He filled us, even as we lifted up our praise to Him.

He also started talking to us about increasing our ministry level on the website. As you all know, at this time, that is our greatest platform of ministry as we are reaching people all over the world. Sharon Yutzy had a

revelation of a ministry to the creative Christian community. We all started having words of knowledge of possibilities. This morning about 4 AM the Lord started expanding the vision to me [Molly] of how to set up the website to accommodate such a wonderful platform. Almost immediately I saw Wesley, Sharon Y., Jeanne Sullivan, Cindy and Tom, and Sharon M. working as a team to encourage Christians in poetry, art, sculpture, skits and plays, song writing, and even small singing groups. I even got the title for it, "Christian Creatives". It could be a place where they could share their work, but also a place where our team could show others how to do the basics of their chosen creative areas. The Lord showed me the background and set-up needed, including legal ease and terms of use. This is only prayer material now, but could be started in a small way in a matter of weeks....pray into this vision with us please.

Also, Holy Spirit started adding all sorts of other ideas. For instance, a "Healthy Christian" sub-domain run by Penny and Linda. A children and teen sub-domain with all sorts of interactive and creative teaching and sharing platforms. A financial training, homemaking, the list could go on and on. Also, the Lord spoke to me about having prepared prayers that people can download and pray over themselves or others.

The vision we have had was too small...there is no limit to what God can do with this website. Just because others have a small vision for their site, does not mean we should do the same. We are asking you to allow God to increase your vision as to what you can do to be a part.

Be blessed in the Lord this week,

Thank you,

Molly McKinley and Sharon Yutzy, Prayer Leaders

1 Timothy 2:1-5 The Passion Translation (TPT)

Most of all, I'm writing to encourage you to pray with gratitude to God.

Pray for all men with all forms of prayers and requests as you intercede with intense passion. And pray for every political leader and representative, so that we would be able to live tranquil, undisturbed lives, as we worship the awe-inspiring God with pure hearts. It is pleasing to our Savior-God to pray for them.

He longs for everyone to embrace his life and return to the full knowledge of the truth. For God is one, and there is one Mediator between God and the sons of men—the true man, Jesus, the Anointed One.
